Cove Point Natural Heritage Trust Grant Application

The mission of Cove Point Natural Heritage Trust is to preserve and protect ecologically sensitive sites in Southern Maryland through land conservation, acquisition, scientific research, and environmental education.

(Note to submitting activity-please expand the space provided as you require.)

I. Qualifications: Please describe briefly your (or your agency's) qualifications to carry out this project.

II. Problem or Need and Request: Please explain the need or problem your project will address with this funding, and how much you are requesting.

A. Please explain how this project will coincide with the Trust's Mission.

III. Objectives: Please describe, in measurable terms, the outcomes or benefits of this funded project.

IV. Methods. Please describe the activities to be employed to achieve the desired results.

A. Please describe who will carry out the activities.

B. What time frame will this project occupy?

V. Evaluation. Please describe how you will measure the degree to which objectives are met.

VI. Funding. Itemize the funding requested and the total. If appropriate, please describe the availability of other resources to augment funding for the project.

VII. Budget. Clearly define the expenses to be met by this grant, and those to be provided by you/your agency, or other parties.
